HEALTHY PEOPLE. HEALTHY COMMUNITIES.

David Fleming, MD, *Director and Health Officer*

EXEMPT FROM PERMIT AND PLAN REVIEW

- Commercially made caramel apples
- Cotton candy
- Machine crushed ice drinks with non-potentially hazardous ingredients (slurpies, icees, slushies)
- Corn on the cob with butter
- Individual samples of sliced non-potentially hazardous fruits and vegetables
- Popcorn and flavored popcorn with butter and/or shake on toppings
- Roasted nuts and roasted candy coated nuts
- Deep fried pork skins prepared from pork skins rendered at a food processing plant
- Whole roasted peppers for immediate service
- Dried herbs/spices, including bulk and/or packaging processed in an approved facility

Note - Machine crushed ice drinks are those prepared (mixed, frozen, and dispensed) completely within self-enclosed machines after a premix has been added. This eliminates any potential hand contact with the product.

The exempt from permit and plan review products require the vendor to fill out and submit an exemption form that is available at the Environmental Health district offices.
